

BALKANMINE 2011

Ljubljana, Slovenia, 18-20 October 2011

Organized by:

Dear Sir/Madam

We are pleased to inform you that the Call for Paperes for the next international BALKANMINE Conference & Exhibition, which will take place in Ljubljana (Cankarjev dom), Slovenia, from 18 to 20 October has been published.

Following on from our previous BALKANMINE events, we expect more than 300 participants from about 10 countries to attend BALKANMINE 2011.

Conference themes will include:

- MINING AND SAFETY
- EXPLOITATION
- MINE SURVEY
- GEOPHYSICS IN MINING
- MINERAL RESOURCES AND MINE GEOLOGY
- BALKAN MINERAL INDUSTRY
- EXPLOITATION OF SOLID MINERAL RESOURCES
- EXPLOITATION OF OIL AND GAS
- MINERAL PROCESSING
- ROCK MECHANICS, MASSIF CONTROL AND SLOPE STABILITY
- COMPUTER INTEGRATED SYSTEMS
- ENVIRONMENTAL ENGINEERING
- SYSTEM ENGINEERING
- RESTRUCTURING AND REENGINEERING
- LEGISLATION, NORMS AND EDUCATION
- MANAGEMENT AND MINING ECONOMICS
- HISTORY AND MINE EDUCATION

A major technical small Exhibition will run alongside the conference, giving all leading companies in the fields of **Mine Safety** and multipurpose mine engineering is the opportunity to display their products and services.

A choice of two post-Conference technical study tours will give an opportunity for delegates to visit and learn about the mining engineering in Slovenia.

Finally, a full social program is planned for all, offering all participants the opportunity for networking in a relaxed atmosphere.

If you would like to present a paper at BALKANMINE 2011, the deadline for submitting an abstract (of up to 800 words) is **28 February 2011**. Authors will be notified in March 2011 whether or not their paper has been accepted for presentation, or for publication in the proceedings. Abstracts will be reviewed by two experts on our International Mining Committee.

Full papers will be required by **30 June**, and format guidelines will be sent to all authors whose papers are accepted. **A hard copy, PDF and word document of each final paper will be required.**

Please note that you should only submit an abstract if the author (or his/her representative) is able to attend the conference. Abstracts should be sent to Mr. Marko RANZINGER, at: marko.ranzinger@rlv.si

Full details of the technical and social programmes, more informations about the excursions, accommodation and registration fees, will be published in January 2011.

We sincerely hope to have the pleasure of welcoming you to Ljubljana in October 2011.

With kind regards

Balkan Coordination Committee:
